## TECHNOLOGY, SUPERIORITY, AND EXCITEMENT.

Engineering, design, and know-how. Behind every Azimut Grande lies the perfect balance of precision detailing and carefully evolved forms: because every cruise is unique. The utmost in comfort and Italian Style, the joy of experiencing all the excitement of on-board living.

INIMITABLE, IN TERMS OF SHAPE AND LINE.

## MADE IN ITALY DESIGN AND PASSION.

Form and function, creativity and elegance, attention to detailing and scale. The design of every Azimut Grande is a perfect combination of technological innovation, fulfilling the boatowner's needs, and that special Italian flair.

It is a refined style, one which is wrought by skilled Tuscan craftsmen, whose prowess is legendary in the world boatbuilding industry.

A great appreciation for beauty extends to an ability to identify the boatowner's unique taste, transforming their suggestions into stylistic solutions.

EQUAL ONLY TO HIMSELF, JUST LIKE ANY BOAT OWNER.

## NEED-BASED DESIGN YIELDS THRILLING RESULTS.

Add, tailor, conceptualise. Every Azimut Grande creation is truly one of a kind. This is because the boatowner participates in a one-off process, working directly with the boatyard to arrive at solutions that give voice to their own personal style.

From laying out the spaces to picking out doorknobs and light fixtures, every detail bears the unique stamp of the boatowner's personality.

SOPHISTICATED, LIKE THE IMPECCABLE CHOICE OF MATERIALS.

## FURNISHED WITH STYLE.

Furnishings and accessories are carefully selected for quality and style, ensuring exclusiveness and an array of options to suit a wide range of needs. Fine fabrics, leather, wood, mosaics, and marble... All at the fingertips of the best possible designer: the boatowner.

A unique style, with more than 7.000 hp.

# MAKE WAY FOR EXCITEMENT.

When the sliding doors are open, the cockpit and saloon become a single charming space. The distinction between inside and outside completely disappears, leaving the magic of a single open space with a view out over the water.

# EXPERIENCE THE PLEASURE.

A quick glimpse into the main saloon reveals the meticulously detailed design. It is a design that combines elegance and sophisticated functionality, with a spatial layout that facilitates socialising in total relaxation.

123

# CUSTOM STYLE.

With the hallmark silhouette on the exterior and the boatowner's personality on the interior. A wide range of furnishing, fabrics, and equipment to choose from, makes each Grande 120 SL one of a kind.

124

## NOT JUST FOR NIGHT-TIME.

Illuminated by large picture windows and with breath-taking views, the boatowner's cabin is an invitation to indulge in total privacy any hour of the day.

125

## THE ART OF HOSPITALITY.

Guests enjoy a pleasurable stay on board thanks to the exclusive comfort and perfectly layout of their sleeping quarters; a VIP cabin with queen-sized bed at the bow, and two twin-bed cabins amidships, all with private bath.
